

Having fun at Waubun School Forest Winter Camp

The Waubun School Forest Winter Camp was recently held for Waubun 4-6th grade students. Several tribal programs were on hand to help with making knockers, smoking fish and venison, cross country skiing, special permitted deer cleaning presentation, snowshoeing, fur and track presentation, teas and healthy snack giveaway, and asemaa education.

Top: Jimmy Uran, White Earth Natural Resources, teaches students how to smoke venison.

Right: Students play the stick and hoop game. See more photos and story on Page 14.

White Earth Investment Initiative offers free income tax preparation services on reservation

Since 2006, White Earth Investment Initiative (WEII) has provided free income tax preparation services on the White Earth Reservation through a partnership with the Internal Revenue Service's Volunteer Income Tax Assistance (VITA) program. Low- and moderate-income taxpayers can have their federal and state returns prepared by VITA staff and volunteers at no cost.

WEII's main site at Shooting Star Casino in Mahnomen opened on Jan. 26 and will remain open through April 8. A second site at First Lutheran Church in Detroit Lakes will be open March 10 through April 9. Appointments are needed for these sites and can be made by calling 218-396-1002 or by visiting weii.website.

A third site – located at WEII offices at 718 Washington Avenue in Detroit Lakes – is currently open for taxpayers who want to drop off their tax documents and pick the completed returns up later. Drop off hours are 1 p.m. to 4 p.m. on Wednesdays, Thursdays, and Fridays and appointments are not needed.

"We are excited to be open and look forward to seeing everyone at our sites again. Like always, taxpayers visiting any of our locations – either for in-person appointments or drop-off services – will need to bring their photo IDs and

Social Security cards plus their tax documents for us to prepare their tax returns," said Sue Trnka, WEII VITA Coordinator.

One of the cornerstones of the VITA program is involvement from volunteers in the community, but WEII VITA organizers note that it has been harder to find volunteers the past few years. "When our sites had to operate differently during COVID, we lost some volunteers – and they have been hard to replace. Having familiar faces helping out at our sites puts people at ease and also increases the number of taxpayers we can help each year," said Trnka. Community members interested in learning more about volunteering for VITA should stop by one of WEII's tax sites or call Trnka at 218-844-7029.

The tax site is one of White Earth Investment Initiative's community services and is made possible by the Internal Revenue Service, Minnesota Department of Revenue, Oklahoma Native Assets Coalition, Midwest Minnesota Community Development Corporation, Shooting Star Casino, Hotel & Event Center, and First Lutheran Church in Detroit Lakes. WEII is an equal opportunity service provider and employer.

News From Chairman Michael Fairbanks

Aaniin Boozhoo Gaa-waabaabiganikaag Niminwendam Waabaminaan!
Makwa-Giizis!
Aaniish inaa akawe ninga-gaagiizomaag aadi-zookaanag.
Weweni-sago-na
Greetings White Earth Nation I am Happy to See You!
It is already February!
Everyone be safe, stay safe, and if you have to mask up let's keep our Elders and babies safe.
In our Anishinaabe Creation story, there was a time long ago when Gichimanidoo saw that the Anishinaabeg on Mama Aki Mother Earth, were living in great turmoil and fighting amongst each other. Gichi-Manido decided to send a great flood to wash away the chaos happening and cleanse Mama Aki, Mother Earth, for a new beginning. Oral teachings tell us of a time after this flood that Nanaboozho and the surviving animals searched for many days for land to begin again.
Finally, Wazhashk Muskrat swam to the greatest depths under the water, losing his life, and floated up to Nanaboozho with a handful of soil. With no land to be seen far and wide, Nanaboozho asked all of the animals who would carry the new land and all of Creation. After some time, the great Mikinaak, Snapping Turtle offered its shell, and Mikinaak Minising, Turtle Island was created. Then Gichimanidoo sent our ancestors from the Stars to live in this new land on Turtle Island.
My mother's clan, Turtle Clan, Mikinaak Doodem, is part of the great Fish Clan Giigoonh Doodem. The Turtle people are connected to Mama Aki and represent our direct relationship with all of Creation so clan members are determined and goal oriented and Mikinaak reminds us to be truthful in all that we do and in how we live our lives. My mother Elsie was very determined and oriented in everything she ever did. We find that there is strong medicine among the Turtle Clan Mikinaak, because of their connection with AKI, NIBI, Anangoog, Earth, Water, and Stars.
So throughout Makwa Giizis, February we will have awan giizhigong or foggy days; it is said that these are the days the makoonsag bear cubs are being born and in the old days that's when our ancestors would fish for namebinag suckers to get through until the waters opened up into ziigwan, spring.
Good luck to all the candidates running in the upcoming primary election. Several important leadership positions are open, including Secretary-Treasurer, District 1 Representative, and District 2 Representative. These are four-year terms, and those elected will help guide our Nation forward as ogi-maag (leaders).
As Anishinaabeg (the People), it is your inherent right and responsibility to help steer the direction of our Tribal Council through the election process. Your voice matters, and your vote truly counts. Participating in our elections is part of gwayak-waadiziwin (honesty and integrity) and strengthens our shared path toward mino-bimaadiziwin (the good life).
The primary election will be held on March 31, with the general election taking place on June 9. I encourage everyone to listen carefully to what each candidate has to say, ask questions, and reflect before deciding who you feel will best represent you, your family, and our Nation.
As the election process moves forward, more information will be shared through the White Earth website, White Earth Facebook page, the Anishinaabeg Today newspaper, and the election office located behind Shooting Star Casino. I also strongly encourage community members to attend upcoming candidate forums in your area—these gatherings are an important part of informed decision-making and civic participation.
Miigwech and thank you to everyone who takes the time to stay informed and getting involved, by casting your vote for the future of our Nation.
Chi-miigwech bizindawiyeg miinawaa anooj ninda-gikinoo'amaadiwin
Gigawaabamininim naagaj.
Take it easy.
Thank you for listening to me to learn together.
See you all later.
Chairman,
Michael Fairbanks

News From Secretary-Treasurer Michael J. LaRoque

Aanin Boozhoo!

Greeting White Earth Members, I am honored to serve as the Secretary/Treasurer for the White Earth Tribal Council. This is my 1st fiscal year 2026 quarterly report, ending Dec. 31, 2025. Our fiscal year runs from Oct. 1, 2025, to Sept. 30, 2026.

Overview of the Tribe's Financial Position (Q1 Financial Report)

As of the close of Q1 FY2026, the Tribe remains in a strong and stable financial position, supported by robust enterprise performance and healthy fund balances across key governmental and programmatic accounts. Shooting Star Casino continues to provide a solid financial foundation, with total assets of **\$135.3 million**, unrestricted cash of **\$78.5 million**, and total fund equity of **\$123.1 million**, reflecting strong liquidity and sustained asset growth. In addition, major Tribal funds—including Behavioral Health, Health, ARPA, and Youth & Elder Funds—maintain adequate cash reserves to support ongoing operations and approved investments. Within the General Fund, **\$7.29 million** has been expended against the **FY26 approved budget of \$31.26 million**, leaving **\$23.97 million** available to support remaining FY26 operations and approved initiatives. Collectively, these results demonstrate sound financial management, sufficient liquidity, and the capacity to advance the Tribe's strategic priorities while maintaining long-term financial stability.

Shooting Star Casino – Financial Overview (December to November 2025)

As of December 31, 2025, Shooting Star Casino, Hotel & Event Center remains in a strong financial position with continued growth in total assets and stable fund equity. Total assets increased by **\$1.7 million**, reaching **\$135.3 million**, driven primarily by higher cash reserves and continued investment in property and equipment. Unrestricted cash and cash equivalents rose by nearly **\$1.95 million**, reflecting solid liquidity and operational strength.

Current assets increased to **\$84.5 million**, while net property and equipment grew by **\$444,299**, reflecting ongoing capital investment and maintenance of facilities. On the liability side, total current liabilities increased by **\$2.6 million**, largely attributable to higher gaming-related accruals and accounts payable, reflecting normal operational activity and timing of expenses.

Fund equity remains strong at **\$123.1 million**. While retained earnings decreased modestly by **\$902,603** month-over-month, overall equity levels remain robust and continue to support the Tribe's long-term financial stability and strategic priorities.

Category	December 2025	November 2025	Change
Unrestricted Cash & Equivalents	\$78.5M	\$76.5M	+ \$1.9M
Total Current Assets	\$84.5M	\$83.3M	+ \$1.3M
Net Property & Equipment	\$50.8M	\$50.3M	+ \$0.4M
Total Assets	\$135.3M	\$133.6M	+ \$1.7M
Total Current Liabilities	\$12.2M	\$9.6M	+ \$2.6M
Total Fund Equity*	\$123.1M	\$124.0M	-\$0.9M

Category	Q1 FY2026
Bagley Casino	
Quarterly revenue	\$2.7 M
Quarterly expense	\$2.3M
Net income	\$410k
Mahnomen Casino	
Quarterly revenue	\$24.4M
Quarterly expense	\$22.8M
Net income	\$1.6M
Total net income	\$2.0M
Total Cash & Cash Equivalents	
September 30, 2025	\$77.7M
December 31, 2025	\$78.5M

**Total fund equity is the residual value of a company's assets after all liabilities are deducted, representing the net worth belonging to shareholders. It is found on the balance sheet and calculated as Total Assets – Total Liabilities. This figure indicates the amount returned to owners if the company were liquidated.*

As of the close of Q1 FY2026, selected major funds continue to maintain stable cash positions sufficient to support ongoing operations and approved expenditures. Cash balances remain strongest within the Behavioral Health Funds, reflecting the scale of services and funding streams supporting these activities.

The ARPA Fund reflects revenues exceeding expenses for the quarter, consistent with the planned and phased use of time-limited federal resources. Health Funds show expenses modestly exceeding revenues for the period, consistent with normal timing differences between expenditures and reimbursements. Youth & Elder (Y&E) Funds reflect smaller-scale activity with cash balances aligned to current operational needs.

Overall, these funds remain financially stable and continue to support the Tribe's operational and strategic priorities.

Fund	Cash Balance	Revenues	Expenses
ARPA Fund	\$3.64M	\$4.49M	\$0.85M
Y&E Fund	\$225,193	\$248,977	\$23,783
Health Fund	\$15.63M	\$1.75M	\$1.93M
Behavioral Health Fund	\$57.40M	\$6.74M	\$9.04M

General Fund Overview

As of the close of Q1 FY2026, \$7.29 million has been expended, leaving \$23.97 million available to support remaining FY26 operations and approved initiatives.

Category	Amount (\$)
FY26 Approved Budget	31,260,421
FY25 Q4 Cumulative Actual	7,289,634
Remaining Available	23,970,787

Tribal Response to Federal Enforcement Activity and Impacts on Members

The Tribe continues to address increased federal enforcement activities impacting Tribal members residing in urban areas, particularly in Minneapolis. These circumstances have introduced considerable uncertainty for families on and off the reservation, affecting housing stability, employment opportuni-

News From District 2 Rep. Eugene Sommers

Boozhoo Anishinaabe,

Cannabis Workforce Training

On Jan. 8, White Earth Tribal College launched a Cannabis Horticulture Program through its Custom Education Program. This training opportunity supports workforce development by providing participants with hands-on education in the emerging cannabis industry. The program helps prepare Tribal members for employment opportunities while supporting long-term economic diversification for the Nation.

East Grand Forks Consultation

On Jan. 15, the Reservation Business Committee (RBC) met with members of the East Grand Forks City Council regarding the establishment of a new dispensary. Initial confusion surrounding White Earth's compact agreement was clarified during the meeting. The discussion was productive and helped establish a positive working relationship moving forward.

Bureau of Indian Affairs Consultation

On Jan. 20, a meeting was held with Bureau of Indian Affairs staff to initiate consultation requests with the Department of the Interior and the Department of Homeland Security. These consultations will allow the Tribe to formally voice concerns related to recent ICE activity in Minneapolis.

Special Finance Meeting

On Jan. 23, the Reservation Business Committee attended a Special Finance Meeting at Shooting Star Casino. Updates were provided on casino renovation projects and budget planning, ensuring continued oversight and transparency in Tribal enterprises.

Minnesota Chippewa Tribe Meetings

On Jan. 26, Minnesota Chippewa Tribe subcommittee meetings were held at Northern Lights Casino in Walker, Minnesota. The Tribal Executive Committee (TEC) meeting followed on Jan. 27, bringing leadership together to address intertribal matters and constitutional reform.

City of Mahnomen Consultation

On Jan. 28, White Earth consulted with the City

of Mahnomen regarding land use and zoning matters. The City expressed interest in Tribal land located on Main Street and proposed a potential land exchange involving a parcel on Riverland Road. Discussions remain ongoing as both parties explore available options.

2026 Election

Election filing closed on Jan. 21. Candidates will be certified by Feb. 11 if no eligibility challenges are filed.

Primary Election: March 31, 2026

General Election: June 9, 2026

Swearing-In of Elected Officials: July 14, 2026

I will not be seeking reelection this year and wish all candidates the best of luck in their campaigns. Miigwech for the opportunity to serve. I am excited for the future of our Tribe.

2250 COLLEGE RD, MAHNOMEN, MN

News From District 3 Rep. Laura Lee Erickson

As we begin a new year, I want to extend my warmest wishes to all members of our tribal community. It is a time for reflection and setting intentions for the months ahead. Together, we will continue working toward a stronger future for our tribe and our families. Wishing everyone a positive and successful New Year!

1-20 Tribal leaders convened with Scott Davis, Deputy Assistant Director of the Department of the Interior, to discuss issues including Immigration and Customs Enforcement (ICE), education and funding for the Bureau of Indian Education (BIE). The meeting aimed for collaboration, address concerns and explore solutions related to these areas impacting tribal communities.

1-26/27 I attended the Minnesota Chippewa Tribe TEC subcommittee and TEC meetings hosted by Leech Lake in Walker, Minn.

I serve on the Minnesota Housing Finance Committee. Enrolled members of the Minnesota Chippewa Tribe (MCT) are eligible to apply for a variety of loan programs including assistance for home purchases, renovations, and new construction. If you are interested in learning more or applying, please contact the Minnesota Chippewa Tribe Home Loans Department at 218-335-8581 or visit their website at <https://mnchippewatribe.org/services-and-programs/finance-corporation/home-loans/>. These resources are available to support our community members in achieving their homeownership goals.

1-28 Minnesota Department of Transportation and White Earth Nation hosted a Roundtable Discussion about Community Traffic Safety that focused on local road conditions and traffic safety. The primary goal was to gather input directly from participants, including law enforcement, public works, and roads department staff, to understand current traffic issues on our local roads. Attendees also collaborated to brainstorm ideas for future traffic safety initiatives such as scheduling a MOCK crash demonstration, issues at the intersection of Highway 59 and State Highway 113. Additionally, plans were discussed to incorporate traffic safety simulators and goggles at community events to promote awareness and education on safe driving practices.

Other Updates

The White Earth garage (formerly the fleet garage) is currently being demolished. A new garage facility will be constructed to house General Services Administration (GSA) vehicles that are used daily by our health program staff to deliver essential in-home services to community members.

I have received inquiries regarding the new homes at White Earth Enterprises. Highway 59 Homes, LLC has recently received three new homes designated as display models. An open house event will be scheduled soon and additional details will be shared as they become available. For more information, please visit their website: <https://www.highway59homes.com/>. We look forward to showcasing these beautiful homes and providing opportunities for community members to explore their options.

The \$300 Health and Safety Checks are ongoing and continue to be processed by our Enrollment and Finance Departments. These checks are part of our ongoing efforts to support community health and well-being.

The Pine Point Water Treatment Plant Planning Project is set to move forward with the planning agreement established between White Earth Nation

and the Indian Health Service. The project will include a comprehensive structural assessment of the existing water treatment plant building, well investigations and a hydrogeologic study. The project timeline is as follows: project documents are expected to be approved by March, environmental clearance is targeted for completion by April and the preliminary engineering report is scheduled to be finalized by March 2027. This initiative aims to enhance water quality and infrastructure for our community's future.

With the recent cold weather, we want to remind everyone to check in on elders and vulnerable community members. If you know of any elders who may need assistance or need to be checked on, please reach out to us or contact our Elder Program 218-935-3856, we have dedicated elder advocates available to help.

Our Water and Sewer Department has been actively assisting residents with frozen pipes and sewer issues while our Human Services team has been supporting homeless members of the community. We thank everyone for their efforts and kindness during this time. We are committed to providing support, ensuring safety and connecting individuals with the services they need to live securely and comfortably.

WHITE EARTH URBAN OFFICE

The White Earth Urban Office is located at 1730 Clifton Place, Suite 100, in Minneapolis. Thier phone number is 612-813-1590 and the office is open Monday to Friday from 8 a.m. to 4:30 p.m.

Tribal offices closed for holiday

White Earth RBC offices will be **closed on Monday, Feb. 16 for Presidents Day** and will reopen on Tuesday, Feb. 17 at 8 a.m.

Modified services will still be available.

2026 WHITE EARTH ENERGY ASSISTANCE PROGRAM NOTICE

The 2026 White Earth Energy Assistance Program will be accepting applications first part of September 2025, please call for an application at that time. You can also pick one up at the office in Waubun or watch and they will be on the White Earth web page. For those of you that have applied last heating season, you will receive an application in the mail in September 2025.

Please keep in mind to fill out your application clearly and completely, with all necessary documentation, this will make for a faster process. Homeowners, please call if you are having furnace problems, we may be able to help you. Please remember to change your filters once a month for adequate maintenance.

Always keep in mind to check your tanks, running out will adhere to more problems. Summer prices are at low this time of year, call your company to set up payment plans or arrangements if suitable.

Any questions on the program or need to fax any information, please call the number or fax below. Hope everyone had a great summer!

No funds available until around first week in November 2025

Reminder from White Earth Natural Resources

Remove all waste from the ice and keep in mind it's illegal to leave litter on the ice. Minnesota's "Keep It Clean" law — which makes it illegal to place garbage and waste on or under the ice of Minnesota's lakes and rivers — was signed into law in May 2023.

Examples of covered waste include garbage, cigarette filters, litter, fireworks debris, dead animals, sewage, and other waste left outside your shelter, vehicle, or container on the ice.

Valley View Manor

Valley View Manor in Ada has 1 bedroom units for rent.

Rent is based on 30% of your adjusted monthly income calculated per HUD guidelines up to a contract rent of \$750 and includes: Water, Sewer, Garbage and Heat.

For more information contact DW Jones Management. 218-547-3307 or apply at www.dwjonesmanagement.com

CREATING BETTER LIVING
Equal Housing Opportunity

TTY711

News From District 1 Rep. Henry George Fox

Boo-zhoo,

Hope all is well with our people of the White Earth Reservation. It's Election Year so make sure to get out and VOTE!

Housing

All four new houses are set up and are occupied by families with children, and the burned-out house is set up and getting prepared for another family to move in.

Chemical Health

In my travels, addiction is everywhere. When you feel like it is finally enough please reach out for help - that first step is always a hard one in that we admit we were powerless over alcohol/drugs. So reach out and get help.

Pow-wow Grounds

The Rice Lake Powwow Grounds dancing circle has the new dirt and was seeded with Kentucky Bluegrass. It was growing good just before fall so it should be perfect by our powwow in May.

Water and Sewer

Water and sewer during a Rice Lake winter is a tough time. The Water and Sewer staff have been busy with frozen water and sewer pipes. The emergency phone number 218-401-3821.

Education

College and primary education are on the second quarter of the year with snow and cold canceling school days. But, we live in Minnesota so we will get through it as we always do.

Day Labor and TERO

We have a day labor program in Naytahwaush that is helping the Elders with snow removal around the house porches, and a walk path to your propane or fuel tank.

Boys and Girls Club

The Boys and Girls Club is back to their evening hours. We've had cancelations due to snow/cold and funerals here at the building. My thoughts on that is we need to get them their own building!

Forestry

Our fire fighters have been going out of state to help fight forest fires. All these brave men and women take time away from their families to go help other people - my hat is off to these people, you are

strong fighters. They also cut and deliver the spirit firewood for when one of our members passes on into the spirit world. Mii-gwech Forestry.

Urban Communities

Our urban members are going through the ICE enforcement and protests. The way ICE is doing their actions is no different than what they have been doing to the Native Americans for years from all our broken Treaties.

White Earth State Forest

We are capable of managing the White Earth State Forest so it's not take back - it's ours and we can manage it now. We have never seen anything from all the sales and how can you sell tax forfeited land when it's not yours. I have yet to hear from Clearwater or Becker Counties. Read the Treaties first or I can come read it to you. Mii-gwech

Elder Advocates / Elder Commission / Elder Council / Elder Repair

Our Elder Advocates are out in the communities helping with some of the Elder needs.

CSO Program

Currently the tribe is looking to fill the Community Service Officer positions in a few of the communities.

Henry G. Fox

District 1 Representative

White Earth Nation

White Earth Council of Elders

By Lucille M. Silk, Chairwoman

White Earth Nation Council of Elders

The Elder Council has been very active in the roles that we were elected for. All Elders of the White Earth Nation are represented by this group and if an Elder is unable to attend monthly meetings, we will be happy to hear your concerns and attempt to find a remedy for you. You are welcome to call any one of us and we can contact the person or agency that can accommodate the need. The executive board has met and are trying to plan activities, meetings, or personal requests.

January turned out to be extremely cold, with closings of both schools, and business places. Therefore, please always honor the weather warnings and keep yourself safe, or if you must be traveling, always have a survival kit in your car and extra blankets.

Due to the inclement weather, we decided that a overnight two-day trip would instead be made a one-day trip to Walker, Minn., on Jan. 27 for the quarterly TEC meeting. As Elders, we are more vulnerable to the cold and ice conditions. That is the reason we do not gather our Elders to meetings during January, February, and March of each year, as a protective measure.

In renewing our by-laws, we have added three new members in order to have this Council representative of the whole Reservation. Please consider applying for one of the three District positions from now until 4:30 p.m. on March 13. You may call either Lawrence (Sam) Crowell: 218-252-9390 or Joan Thompson: 218-204-0852. The Secretary position is also open and can be obtained as a nominee with the same people. The election committee has decided in all fairness to have the vote on Monday, March 23 from 1-5 p.m. at the Shooting Star Casino in Mahanomen. We encourage your support by adding your name to the District position of which you are from according to your Tribal ID. The Secretary position is open to all Elder enrolled members, except those with a conflict of interest. When you come to vote remember to bring your Tribal ID.

This is an election year also for our Tribal Government for the positions of Secretary/Treasurer, and District Representatives 1 and 2. As in previous years, we will be holding a Candidate Forum on Saturday, April 4 at the Shooting Star Casino. It is important that we all attend these forums as the candidates will be presenting their platforms on which they will serve our White Earth Nation. These primaries are needed to make a reasonable and responsible decision as to whom we elect to the various positions.

Please keep this date open, to all those Wisdom Step folks who have met the criteria to attend an annual conference in your honor, from June 16-18 at the Black Bear Casino on the Fond du Lac Reservation. Remember, you must have completed two cards in order to be eligible. The first is a health card that records your visits to your health provider. There are four mandatory requirements as indicated by the asterisk on the card. Second is the walk card of which you must keep a weekly record of either steps or miles.

The cut-off date is always the last day of the previous year - Dec. 31, 2025. The reason we need to count the previous year is because our Board needs to order incentives for well over 400 members each year, plus do all the planning for the conference with costs, etc. This is a voluntary Board approved by the individual Tribal Nations. Remember too, this is a preventive health program in the State of Minnesota for all enrolled members of the various Tribes and urban areas. We want our Elders to take control of their own health with their own health

See Elders Page 18

Winter home safety tips from WE Public Health

By Lindsey Adams

White Earth Tribal Public Health

We are entering the time of winter that often brings a combination of heavy snow, cold and possible thawing/refreezing episodes. You and I can guess the weather often as well as the meteorologists! (Joke; they are very well educated and appreciated).

White Earth Public Health wants to share these gentle reminders and tips for staying well and SAFE IN OUR HOMES as we navigate through the upcoming winter events.

- Keep a close eye on heating sources. Clean and replace filters as needed and monitor gas levels so you do not run out!

- Use space heaters correctly. They must be plugged directly into the outlet and with plenty of "breathing space" surrounding them. ALWAYS have them level and on the floor.

- Install and maintain carbon monoxide and fire detectors in your home. The New Year is a great time to change batteries every year (if needed).

- Practice safe snow removal! Late Winter and Spring snowfall often has more moisture in it and is heavier than we remember. Take small scoops and breaks while shoveling. Ask for help with maintenance and check in with someone BEFORE you shovel and AFTER you get done.

- Check in on friends, family, neighbors, (aunties and uncles) – Winter gets long physically, mentally and emotionally.

- Support your pets! They still need warm shelter, water, food and company!

- And our last tip is to always keep on hand any medications that may be needed in the next couple of days. Spring snowstorms can take a day of two to dig out from. Keep an "emergency supply" of life sustaining medications to prevent emergencies.

WE MCT Constitution Reform Delegation Updates

By Mykee Brown

White Earth MCT Constitutional Reform Delegate

Your input is needed to rewrite it right! We are currently planning an educational/constitution review meeting and we are shooting for sometime in April. Be on the lookout for the flyer announcement. We will be going over at least three of the past drafted constitutions for White Earth and begin to prepare to draft our own potential constitution or "governing document."

One of the ideas we are working on currently is replacing the current constitution with a stack of documents that is presumed to go hand in hand and separate the governing powers to band/reservation/nation level while remaining together as one tribe.

The MCT Constitution Reform Delegation (six bands/reservations) alternates hosting monthly meetings. The next meeting is on Feb. 20 hosted by Fond du Lac at the Black Bear Casino. Keep an eye out for the agenda to be posted for specific details. White Earth had just hosted the last monthly meeting in January where we quickly went through the agenda during a winter storm. We had a decent turn out and would like to thank everyone for attending; members, descendants and delegates.

We represent YOUR voices! Please reach out

and let us know what you think and what you would like for us to bring to the table. We need your approval and advice to move forward. There are many different ways to reach us. The best way is to contact your district delegate directly by email or phone; however, we also have two Facebook pages. "White Earth MCT Constitution Reform" and "White Earth Constitutional Reform Delegation."

Our delegates are listed as follows:

Chris Vanwert, At-large Delegate
Christopher.Vanwert@whiteearth-nsn.gov

Fawn Roy, District 1 Delegate
FawnMarieRoy@gmail.com

Patty Straub, District 2 Delegate
1020patty.straub@gmail.com

Mykee Brown, District 2 Delegate
brownmykee25@gmail.com

Emily Annette, District 3 Delegate
mle1annette@gmail.com

Sybil Gund, Metro Delegate
sybil.gund@yahoo.com

Louie Johanssen, Iron Range Delegate
louiejohanssen3@msn.com

Jolyn Donnell, Cass Lake Delegate
Jeffjolyn@gmail.com

Self-love has a strong impact on our mental health

By Martha Allen

White Earth Mental Health
Project Outreach Coordinator

Self-love is a practice of nurturing and valuing oneself. It includes accepting both strengths and weaknesses and prioritizing self-care. Practicing self-love can improve mental health by boosting self-esteem, self-confidence, and resilience in the face of challenges. Self-love involves setting healthy boundaries, saying no when necessary, and prioritizing ones own needs and well-being without guilt.

Self-love includes practicing self-compassion and treating oneself with kindness and understanding during difficult times or when facing setbacks. Self-love has a strong impact on our mental health and our emotional state. It can decrease anxiety, depression, anger and loneliness.

Why is self-love important?

- Allows us to feel more confident in our abilities.
- Becomes easier to express/work with our strengths and identify areas of growth.
- You know your worth and can advocate for what you deserve.
- Self-love can give us a more positive attitude and outlook.

- Encourages us to pick up good habits.

Ways to love yourself more

- *Meditate
- *Say no when you need to
- *Take a social media break
- *Don't compare yourself to others
- *Cook your favorite meal
- *Create a gratitude list
- *Catch up with a friend
- *Connect with culture
- *Be kind to yourself

Daily affirmations

This month when we celebrate Valentine's Day and love, practice saying daily affirmations that

encourage self-love.

- *I am proud of who I am becoming.
- *I belong here.
- *I embrace my flaws and struggles.
- *I am valuable.
- *I am capable of accomplishing my goals.
- *I am beautiful inside and out.
- *I forgive myself.
- *I am moving in the right direction.
- *I am proud of myself.
- *I learn and grow every day.
- *I am loved.
- *I am not selfish for taking care of myself.
- *I deserve to make time for myself.
- *I am strong.
- *I am grateful for opportunities.
- *I love myself.
- *I have a lot to offer the world.

If you or someone you know needs additional support with mental health, please call White Earth Mental Health at 218-983-6325 to place a referral. Crisis hotline is 218-850-4357.

WE Natural Resources Nation Climate Action Plan

White Earth Natural Resources is excited to announce the adoption of our Climate Action Plan. This plan will help guide us toward being prepared to mitigate challenges associated with a changing climate, while also working to reduce our carbon footprint.

The planning process took one year and included input from a broad range of professionals, along with surveys to gather public feedback. Our youth and elders were invited to share wisdom from the past and their hopes for the future.

The Climate Action Plan addresses key areas such as transportation, waste management, food sovereignty, and health, among others. Please scan the QR code to be directed to our Natural Resources webpage.

Under the Climate Action Plan section, you will find the full plan linked there.

Forestry has wood available for Spirit Fires

The White Earth Tribal Forestry office has firewood available for Spirit Fires when there is a passing in our communities. This firewood is cut and split, and can be delivered to families on the reservation that may be going through the grieving process.

There are a few special considerations:

- ❖ This firewood is available for a tribal member passing only.
- ❖ Firewood deliveries will be limited to **one** pickup load per Spirit Fire/passing.

❖ The firewood will be delivered to families within the reservation boundary.

❖ This firewood may be used only for Spirit Fire purposes.

We hope to continue to offer this service as much as we can in the future. Please contact the White Earth Tribal Forestry Office in Naytahwaush for this service at 218-935-5967. After business hours and during weekends, call White Earth Police Dispatch at 218-983-3281.

Kindness just isn't a value, it's a way of life, and nowhere is that more evident than in an elder group that meets once a week on Thursday at Giizhigan in Naytahwaush. Their selflessness and generosity quietly shape our community every day. They lead with patience humility and deep care for one another. They step in whenever help is needed, reminding us what it truly means to be community. They remind us that strength can be gentle and leadership can be quiet. Most recently with their contributions to helping those in need - with clothing, even altering clothing for those in need. Getting down to business are Marilyn Goodwin, right, and Susie Coleman. Other regulars include Phyllis Bunker, Ruthie Foss and Petey Olson.

Please call to update your contact information with our office as soon as possible. If you have any questions regarding compliance inspections or need to update your information, you may contact the White Earth Land Office at 218-983-4650.

FIVE SKIES EMPOWERMENT TRAINING

WHO: White Earth Tribal MEMBERS
WHAT: EMPOWERMENT TRAINING
WHERE: Maadaadizi Workforce Center
WHEN: March 2 – March 27, 2026

The Five Skies Empowerment training combines several of their individual sessions and includes programs such as the Teaching of the Medicine Wheel and Mending Broken Hearts, Financial Literacy, Critical Core Skills and Resumes and Interviewing are also incorporated into this program as part of the entire Empowerment curriculum.

The program begins with Mending Broken Hearts
This is an intensive course designed to provide culturally-based healing from grief, loss, and the unresolved effects of Intergenerational Trauma as developed from the White Bison curriculum. This program is delivered in a condensed 3-day format.

Teachings of the Medicine Wheel
This programming is designed to help individuals gain an understanding of the Medicine Wheel's teachings and how those teachings can benefit their everyday lives. Our program does not focus on any single Tribe's culture but rather gives the participant the tools necessary to have a good understanding of how their own traditions can be applied or gives them a foundation to grow from where one's own teachings are unavailable.

An Introduction to Financial Literacy
This is an essential skill that is often overlooked when preparing someone for a career pathway that may see them making thousands of dollars a week. It is designed to help the participant begin to think of money from a different perspective. It covers a wide range of topics from a basic budget through credit and credit scores and even discusses incorporating traditional values into your budgeting and spending. The program covers

broad topics to help shift the way money is thought about. CASHFLOW is often included in this program.

Critical Core Skills
Critical core skills include the soft skills that are often sought by employers in any industry, whether construction related or otherwise. Some of the skills covered include communication, critical thinking and problem solving, teamwork and collaboration, leadership skills and many others.

Resumes and Interviewing
This program provides an overview of the different Resume styles and their uses and gives the participant an opportunity to develop their own or fine-tune an existing resume. We cover interviewing skills, go over some of the more difficult questions that may arise and to approach an interview. Mock interviews are also conducted with the participant receiving immediate feedback and suggestions for improvement going forward.

Additional certifications included in this program are:

OSHA 30, Flagger Certification, First Aid/CPR and other industry specific programming can be incorporated into this program.

This is a 4-week long program running Monday-Friday from 8:00 am – 4:00 pm (some days may be longer or shorter)

**For more information:
Call Kathleen: 218-935-3756
Marcus 218-935-3829**

SMART MOVES

Growing strong together- through healthy habits, family connection, and culture.

WHAT IS SMART MOVES?

Smart Moves is a fun, family-based program that helps children and their caregivers build lifelong habits around healthy eating, moving more, and supporting one another together – rooted in strength, tradition and wellness

- Free for families
- Designed for youth (ages 7-18)
- Includes light snacks, activities, and prizes
- Led by trusted staff from White Earth Tribal Health Division

A new session is beginning soon!

To learn more and sign up, call Katie at 218-401-3050.
Space is limited – reserve your spot today!

Let's grow stronger together – with smart moves and deep roots.

Water & Sewer protection for homeowners

Cold temperatures can cause frozen pipes, water breaks, and sewer backups. Follow these tips to help prevent winter damage to your home.

WATER PROTECTION TIPS

- Let faucets **drip slowly** during extreme cold.
- Keep your home heated to **at least 55°F**, even when away.
- **Open cabinet doors** under sinks to allow warm air to circulate.
- **Insulate exposed pipes** in basements, crawl spaces, and garages.
- **Disconnect and drain outdoor hoses.**
- Shut off and drain **outside water spigots** if possible.
- Know where your **main water shut-off valve** is located. (for most homes, located near water meter).

SEWER PROTECTION TIPS

- **Do NOT pour grease, fats, or oil down drains.**
- Flush **toilet paper only** — no wipes, diapers, or hygiene products (even “flushable”).
- Run water occasionally in rarely used sinks or tubs.
- Watch for **slow drains, gurgling sounds, or sewer odors.**

OUTDOOR & PROPERTY TIPS

- Clear snow away from your home's foundation.
- Keep **water meters, meter pits, and cleanouts accessible clear of snow and ice.**
- Avoid plowing parking or driving over buried water and sewer lines.
- Make sure roof vent is not blocked or covered with snow.
- Make sure any cleanouts or risers are capped.

WARNING SIGNS OF A FROZEN LINE

- No water or low water pressure
- Frost on pipes
- Sewer backups or strong odors
- Gurgling drains

If you experience any of these issues, contact your local Water & Sewer Department immediately.

Water & Sewer Department: 218-935-6276
After-Hours Emergency: 218-401-3821

New digital sign greets RBC visitors

Waubun students participate in winter camp

By Ana Kircher

White Earth Tribal Public Health
Community Health Educator II

Waubun 4th-6th graders recently participated in the Waubun School Forest Winter Camp, grounding youth in cultural identity as a protective factor for their health and wellbeing.

Due to the rise of youth vaping, students worked with Public Health Tobacco coordinator to distinguish the difference between commercial tobacco and traditional asemaa. By showing the sacred plant and learning about the medicine within, youth are empowered to make healthier choices rooted in culture.

The Natural Resources and Food Sovereignty programs provided hands-on opportunity and education on animal identification, tracking, food harvesting, processing and preservation. Students were able to sample smoked fish and venison while learning the different gifts waawaashkeshi (deer) provides, such as using the brain for tanning and using specific joints for traditional games. A Public Health educator taught each student how to make a tasty, nutritious snack with simple ingredients that can be made at home in no time.

"Miizhishin!" (Give it to me!) shouted one student during a card trading game, laughing as they practiced Anishinaabemowin. A moment that captured the heart of Winter Camp and a reminder that language and tradition stick when there's play. Youth enjoyed a stick-and-hoop game, from cheering each other on to stating "you always have the best games." This rein-

Photos by Zoe Keezer

forced that living the culture brings joy, wellbeing and positive social connections.

Despite the cold, the spirit of Winter Camp was warm. The bright sun shined through the woods of the Waubun School Forest. The smell of wood smoke from the venison and fish filled the air while students stayed warmed with cups of giizhik (cedar) and mullein aniibiishaaboo (tea) provided by White Earth Tribal and Community College Community Extension. Youth cross-country skied the freshly groomed trails to round off the day of learning, laughter, movement and connection with the land.

Boys & Girls Club of White Earth opens two new sites at Callaway and Elbow Lake

By Carol Thompson, BSW
CEO, Boys & Girls Club of White Earth

Happy almost spring! We hope! The Boys & Girls Club of White Earth has been busy over the last year or so. Despite many barriers and issues with mother nature, we have finally been able to get our two club sites open!

We opened Callaway on Nov. 3, 2025! We are in the Callaway Community center located at 403 Main Avenue. The cell number to the site is 218-570-8343. The site's Unit Lead is Abigail Mitchel with our Character, Leadership, Service Coordinator being Terese Madigan and the Youth Development Professional being LaKaylee Kingbird. These kind ladies will be your contacts to get youth signed up for enrollment at the club as well as to answer any questions regarding the club site.

Abigail, Terese, and LaKaylee have been on numerous field trips such as the Detroit Mountain sledding expedition along with many memorable recreational trips to the Detroit Lakes Community Center! Youth do need to be actively attending clubs to participate in the trips but there is so much programming offered!

Our Elbow Lake site opened on Dec. 28, 2025! So close to the end of the year but we did it! The site is located at 39989 North Elbow Lake Drive. The cell number to this site is 218-570-9795. We have Kaelyn Snetsinger as the Unit Lead and are currently hiring

for the Character, Leadership, Service Coordinator as well as the Youth Development Professional. For more details on these positions please reach out to our White Earth Human Resources department and fill out the applications!

As our Elbow Lake site has just recently opened and with many winter obstacles to constantly overcome, we are looking forward to serving more youth in the community in the coming months! You can reach out to Kaelyn or any B&G Club staff to find out where and how to ask for assistance on completing an application for enrollment!

As stated above we have various programming in key areas such as: Arts, Education, Health and Wellness, Leadership and Service, Sports, E-Sports, and Recreation and as a Native Club we also have Native Adapted Programs and provide culture within the clubs. All calendars are available on the Boys & Girls Club of White Earth Facebook page. Hours are after school, on school days and switch to 8 a.m. - 4 p.m. on non-school days and during summer months. Please look at our page for closures and updates.

The Boys & Girls Club of White Earth has eight sites open across the White Earth Reservation located at Callaway, Elbow Lake, Mahnomen, Naytahwaush, Pine Point, Rice Lake, Waubun, and White Earth-COLA. If you have questions, please feel free to reach out to anyone of our clubs or to B&G Club Administration.

The Boys and Girls Club of White Earth recently opened two new locations in Callaway and Elbow Lake. They offer various programming in key areas such as: Arts, Education, Health and Wellness, Leadership and Service, Sports, E-Sports, Native Adapted Programs and provide culture within the clubs.

Submitted photos

Cold causes tree to explode

Photo by Emma Grossman

Extreme cold temperatures in mid-January caused this tree by the White Earth Childcare building to explode (frost crack). This happens when temperatures drop suddenly or trees don't have time to adjust to the cold, and the sap or water inside starts to freeze. That expansion puts intense pressure on the bark and wood, which sometimes causes it to crack or split apart,

Common Heart Attack Warning Symptoms

Call 911 right away if you or someone you are with has one or more of these symptoms!

1Chest pain or discomfort

2Pain or discomfort in the jaw, neck or back

3Pain or discomfort in the arms or shoulders

Ojibwemodaa.2!

Lets all speak Ojibwe! Aaniin, Boozhoo.; Greetings. Ojibwemowin involves 4 communication skills; speaking, listening, reading and writing. This is the Double Vowel writing system. Refer to The Concise Dictionary of MN Ojibwe, by John Nichols & Earl Nyholm. Respectfully ask an elder, family and friends to speak Ojibwe within your circle.

Abinoojiwin•Infancy Bilingual: To speak two languages-Give their gift of Ojibwemowin. Speak daily to our Nation's youngest. Birth to age five best promotes bilingualism! Pronounce by syllables: Boo zhoo! Aa niin e zhi -a yaa yan. - Greetings!-How are you? Gimino-ayaa na?-You're well? Gaye niin-Also me.

••Use a consonant with a *Vowel sound to speak in "syllables":* O ji bwe.

••"Bineshiyag ina bimisewag? Eya', zhaawanoog."

("Birds ? they fly? Yes, to the south.")

••"Makoonsag, miikawaadiziwig."

("Bear cubs, they are beautiful.")

••"Nigii-waabamaa a'aw makoons!"

("I saw him/her that bear cub!")

••"Makoons odaminwaagan!

("Bear cub toy!")

Awesiiyag - Animals

Makwa(g) - Bear(s)

Waagosh(ag) - Fox(es).

Biboon. - It is winter.

Makwa, nibaa noongom.

Bear, s/he sleeps now.

Waagosh, giyose gaye.

Fox, s/he hunts also.

<<<<<<>>>>>>

Bezbig -1,
Niizh -2, Niswi -3.
Niizho-wiigwaasi-mitigoog
2-birch-trees
Omaa, Niso-zhingwaakwag
Here, 3-white pines

Niibaabizo. -

S/he drives at night.

Bagwaj. -

In the wilderness.

Waawaashkezhi

bima'adoo. -

Deer, he follows a trail

in the bush, inland.

Nimbima'adoo. -

I follow a trail.

Bejibizo. - S/he drives slowly.

Find the ten(10)underlined Ojibwe words in the wordfind.

Ojibwemowin/Anishinaabemowin is an "indigenous language"; meaning it is native to a region, is spoken by the region's original groups and has minority language status. "Dialect" is region-specific unique speech patterns or word use within the same language. "Orthography" is a standardized way of writing the language. The Double Vowel orthography is commonly used in teaching Ojibwe in MN & WI circles.

MIIGWECH! Share your Ojibwemowin successes, knowledge, resources, how you learn, and help others!

Elders from Page 7

provider and also the walk card is to promote walking, exercise, and simply moving at their own pace or in an organized program.

We are all appalled by the shootings and mistreatment of individuals in Minneapolis and the distorted view of the Federal Government in the murder of two people that were only expressing their rights as American citizens. Please pray for the families and communities for safety and peace.

Bless all that suffer. Our afflictions become a cross that burdens us with fear and uncertainty. Give us strength that we may be filled with hope. Let our Spirit come to our aid that we may live each day in the joy for which we were fashioned.

Lucille Silk, Chairwoman
White Earth Nation Council of Elders
218-204-0112

LaRoque from Page 4

ties, access to essential services, and family cohesion.

In response, the Tribal Council has exercised its authority to implement protective measures and provide guidance during this period of instability. Initiatives include consistent communication with members, organizing Tribal ID events to ensure proper identification for interactions with federal authorities, and reinforcing Tribal sovereignty by restricting federal agent access to Tribal property. The Council remains vigilant, actively monitoring developments and coordinating efforts to keep members informed, supported, and respected throughout these challenges.

As Secretary-Treasurer, I am firmly committed to safeguarding our membership and upholding the rights of Tribal members wherever they reside. I have been working to facilitate coordinated responses among Minnesota Tribal Nations, fostering collaboration to present a unified front in the face of federal enforcement actions that impact our communities. When federal agencies operate outside the bounds of their authority or engage in unlawful conduct, I will pursue accountability through appropriate legal, governmental, and intergovernmental procedures.

Confusion and intimidation will not be permitted as tactics against our members. Upholding Tribal sovereignty, asserting jurisdiction over Tribal property, and ensuring citizens possess accurate documentation and information are essential duties of Tribal leadership. I remain dedicated to employing all lawful and necessary actions to protect our families, both on and off the reservation.

Upcoming Primary Election and Candidate Acknowledgement

I want to acknowledge and congratulate all candidates who have stepped forward to serve the White Earth Nation in the upcoming primary election scheduled for March 31. Putting ones name forward to serve our people is a meaningful commitment, and I respect every individual who is willing to take on the responsibility of leadership on behalf of our Nation and our families, both on and off the reservation.

I am also seeking reelection as Secretary-Treasurer. During my term, I have worked collaboratively with the entire Tribal Council to address complex challenges, strengthen financial stewardship, advance strategic initiatives, and respond decisively when our members needed leadership. I believe that progress is made when we work together with transparency, accountability, and respect for Tribal sovereignty. I respectfully ask that all Tribal members get out and vote and make your voice heard in this years election.

Miigwech!
Michael “Mike” LaRoque
Secretary-Treasurer

WE Sanitation offers commingled recycling

White Earth Sanitation now offers commingled recycling for plastics one and two, glass and aluminum cans.

Examples of plastics one and two include but are not limited to pop bottles, water bottles, and laundry soap jugs. Look for the symbols on the bottom of the container.

All items must be **rinsed clean**. Dirty items cannot be recycled. The food/drink contamination can cause mold and contributes to system failures at the recycling centers.

White Earth Sanitation also accepts cardboard for recycling. All boxes must be broken down.

Battery recycling is also a huge issue in the world right now. We recycle any type of used battery, including cellphones.

We also recycle other items for a small fee. This list includes metal items, fluorescent light bulbs, used motor oil, antifreeze, paint, televisions, monitors, and other e-waste

Thank you for choosing to recycling with us! We thank you now and the planet will thank you later!

Please update your address!

Please let the newspaper know if you moved so we can cancel your old address.

My name is Mykee Brown. I just followed my heart here.

I am a unique candidate for Secretary-Treasurer. I would like to announce my candidacy for the 2026 tribal election and begin to introduce myself.

“Let’s better our reservation for our future generations, one step at a time.”

I chose to run for this position to honor the encouragement I have received from those who see my potential to lead. I am committed to bringing balance and fairness to the business committee and demonstrating that our members can trust leadership when it is rooted in genuine intention.

Having served as an MCT Constitution Reform District II Delegate for White Earth since February 2023, I have gained significant knowledge on the Minnesota Chippewa Tribe Revised Constitution, which we currently abide by. This experience has allowed me to listen to our members' stories, concerns, and suggestions. I have learned how to develop balanced, collaborative solutions following the voices of our people.

The traits I have that are necessary to serve the White Earth Nation include being very self-aware, confident, caring, and innovative. I am a solution-oriented person who bases decision making on fairness and equality. My ideas come from striving for resolutions to fit the best interest of all. I would enjoy an opportunity to put my skills and strategic ideas into action. I want to bring more voices to more tables and get the important work done so we can restore balance to our lives through our business. I believe I am made for this type of work.

Regardless of the successors in this election, I believe it is meant to be. I would love to show everyone that if your heart pulls you to do something, then do it. No matter what. I know I have the ability and experience to bring all our voices to the table and make the best decisions possible. Looking seven generations into the past, and seven generations into our future. I want to show us all that we really can wholeheartedly trust leadership when their heart is in the right place. I wish us all the best success as members, descendants, and candidates of White Earth Nation Reservation.

Looking forward to hosting a few candidate forums; I hope to get a widespread reach for us candidates to present ourselves and answer questions so all of us members can cast our best informed, preferred, educated vote. I invite and welcome all candidates, I encourage everyone to show up, participate, and get involved. See the flyer for more information. Additional Candidate Forum dates, including virtual, may be introduced in the future.

Best regards with love,
Mykee Brown

Obituaries

Todd Steven Askelson

Todd Steven Askelson, born on May 28, 1961, in Detroit Lakes, Minn., to Harold Sr. and Shirley (Glover) Askelson, passed away on Dec. 26, 2025, at the age of 64.

Todd was the youngest of four siblings, and his early education began in Buffalo, N.D., before transitioning to Perham, Minn., where he graduated from Perham High School. He furthered his education at Moorhead Technical College, specializing in HVAC, and at Alexandria Technical and Community College, focusing on Electrical and Commercial Refrigeration.

On July 3, 1993, Todd found love with Brenda Fiedler, embracing not only her heart but also the joys of family by welcoming her four children: Brandon, Tiffany, April, and Ashley. The couple made their home in Fargo, N.D., from 1993 to 1999, where Todd held positions at Grants Mechanical and Cass County Heating. In 2000, they relocated to Perham, which became their permanent residence. Todd worked at Laney’s from 2000 to 2009 before establishing his own business, Four Seasons Heating and Air Conditioning, while running his business he also worked at Tweeton Refrigeration and Heating until his passing.

Todd had a zest for life that included fishing, hunting, participating in pool leagues, riding his Harley, and cherishing moments spent with his family and grandchildren.

He is survived by his companion, Brenda Fiedler and their children: Brandon Fiedler of Hoffman, Minn., Tiffany Burge Fiedler of Dent, Minn., April Klein Fiedler of Perham, and Ashley Fiedler of Dent; eight grandchildren; brothers, Harold (Geri) Askelson, and Roger Askelson both of Detroit Lakes, Minn.; sister, Alice McDonald of Detroit Lakes; and numerous nieces and nephews.

He is preceded in death by his parents, Harold Sr. and Shirley Askelson; niece, Sheila Kasowski Lindseth; and sister-in-law, Rita Doll Askelson.

Mass of Christian Burial was Jan. 8 at St. Henry’s Catholic Church in Perham.

Interment: St. Henry’s Catholic Cemetery in Perham.

Arrangements: Korsmo Funeral Service.

Online: www.korsmofuneralservice.com

Betty Louise (Stanhope) Benson

Betty Louise (Stanhope) Benson, 87, of Waubun, passed peacefully on Jan. 24, at her home under the loving care of her family and HIA Hospice.

Betty was born Oct. 24, 1938, to Ernest and Margaret (West) Stanhope on the north end of White Earth Lake in Becker County. She attended country school during her elementary school years before going to Waubun High School where she met her future husband, Lloyd Benson.

Much of Betty’s young life was lived at Nemec’s Resort (now Cedar Crest Resort) which was established by her mother and step-father, Joseph Nemec. Through the years, she shared many stories of harvesting ice blocks, cleaning cabins and swimming to the island. On Sept. 15, 1956, Betty and Lloyd were married at Lake Grove Lutheran Church. They purchased land for a small farm and built a three-room, tar-papered house which was later replaced by a larger home for their growing family. When the youngest of five kids entered kindergarten, Betty achieved her GED and got a job as a cook at the White Earth School. Later she transferred to Waubun School and eventually became the head cook where she brought a smile to the faces of students and staff for ten years. She then attended vocational school in Detroit Lakes to become a home health aide and served the elders of the community until retirement.

Betty was a devoted mother, wife, daughter, sister, aunt and neighbor. She was known for her wit, common sense and ability to get things done. As a mother of five on a small farm, she and Lloyd taught their children the value of hard work, soft hearts, and family joy. She was an active member of Lake Grove Lutheran Church and served as Sunday School teacher, church treasurer, and WELCA president. In 1998, Betty and Lloyd received the honor of Valley Farm Couple of the year. In her retirement, she and Lloyd traveled and spent many hours in the fishing boat. Family and friends were important to Betty, and she embraced every opportunity to be in the company of them. Her skill and luck in cards and fishing were known throughout, and she always had a cup of coffee and cookies in the jar for anyone who stopped by.

Betty’s legacy of love and laughter will be carried on by her children: Sue (Wilbur) Heisler, Mary (Stew) Metelak, John (Billie Jean) Benson, Margaret Benson Thompson, and Paul (Shelly) Benson; 13 grandchildren, 17 great-grandchildren, five great-great-grandchildren and many nieces and nephews.

She is preceded in death by her husband, Lloyd Benson; brothers: Ernest Stanhope,

Donald Stanhope, Paul Stanhope and Larry Nemec; sisters, Darlene and Shirley; parents, Margaret and Joseph Nemec and Ernest Stanhope Sr.; and sisters-in-law: Caroline Stanhope, Donna Stanhope, and Beatrice Benson Purdy; and brother-in-law, Bill Purdy.

Though she may no longer walk among us, Betty’s memory will always bring a smile to our faces, a bit of humor and common sense at just the right time, and a lifetime of memories.

A Funeral service was held Jan. 31 at Lake Grove Lutheran Church in rural Waubun.

Arrangements: Anderson Family Funeral Home of Mahnomen.

Nathan “Nate” Gene Jackson

Nathan “Nate” Gene Jackson, 41, passed away unexpectedly at his home on Jan. 13.

Nathan was the son of Pauline Manypenny and Terrance Jackson. He enjoyed fishing, hunting, leeching, and ricing. Nathan loved spending time with his family and friends, especially his daughters, Tessa, Trinity, and Taylynn, and his little buddy, Ma’iingan Stevens. Nathan attended Waubun school and then worked with his grandpa Leonard

“Honeycutt” Smith as a roofer. He worked many jobs but his most recent employment was working with Joe Zima.

Nathan always had the biggest smile and the best sense of humor that could make anyone laugh. He had a big heart and was generous, kind, loving, and caring. He would help anyone in need and would give you the shirt off his back. Nathan was taken away from us way too soon.

Nathan leaves behind his mother, Pauline Manypenny of White Earth; daughters: Tessa Jackson, Trinity Jackson, and Taylynn Jackson all of Mahnomen; sisters: Cheyenne Manypenny, Mary Manypenny, Tara Manypenny, and Debra Jackson all of White Earth; nephews: Jarred, Preston, Kayden, and Dalton all of White Earth; grandma, Mary Smith of White Earth; three uncles and six aunts.

Nathan is preceded in death by his dad, Terrance Jackson; grandparents: Leonard “Honeycutt” Smith, and Frederick and Susan Jackson; nieces, Hayley Rayne Smith and Rylee Ann Jackson; aunts, Debra Jackson and Sharon Jackson; and uncle, Calvin Jackson.

All night wake services began Jan. 21 and continued until the time of the funeral on Jan. 22, both held at the White Earth Community Center.

Arrangements: Anderson Family Funeral Home of Mahnomen.

Online: www.andersonfamilyfh.com

Shawn Jerome Jones

Shawn Jones, 28, of Ponsford, died unexpectedly on Jan. 15 at his home.

Shawn Jerome was born in Fosston, Minn., on June 3, 1997, the son of William Butcher Sr. and Nora (Jones) Butcher. He grew up with his siblings in the Pine Point area where he attended school. After high school in Park Rapids, Minn., Shawn entered the workforce. He worked as a prep and deli cook at the Shooting Star Casino for some time. Shawn recently returned to the area after living and working in Fargo, N.D.

Shawn will be remembered as a friendly, sassy individual who was willing to help when he could. He had a great sense of humor and a wide collection of guns, knives and bow and arrows, both for show and purpose. Shawn enjoyed playing Xbox and games especially with his son, Keyon. He loved spending time with all his family and treasured every moment spent with his children. He will be greatly missed by many.

Leaving behind to mourn his death are his children, Keyon and Ashlyn; parents, William Butcher Sr. and Nora Jones Butcher of Ponsford; brothers, William Butcher II of Ponsford and Benjamin Jones of Minneapolis; sisters: Jolynn Jones of Onamia, Minn., Audrey (Daniel) Warren of Mahnomen, Lisa (Andrew Andrews) Butcher of Red Lake, Minn., and Corrine Jones of Ponsford; aunt and uncle, Lenora (Charles) Jones of Park Rapids and Charles Jones of Michigan; and longtime special friend, Amy Thompson.

He was preceded in death by his grandparents: Lawrence and Helen Butcher and Thomas and Corrine Jones; sister, Melissa Butcher; brothers, Marcel “Mark” Basswood and Joshua Jones; niece, Kayla Butcher; nephews, Robert Brown and Darryl Mitchell; and several extended family.

All-night wake services began Jan. 22, and continued until the time of traditional services on Jan. 23, both held at the old Pine Point School.

Arrangements: Anderson Family Funeral Home of Mahnomen.

Obituaries

Jeffrey “Jeff” Scott Keezer

Jeffrey “Jeff” Keezer, 53, of rural Waubun, died unexpectedly on Jan. 15.

Jeffrey Scott was born Aug. 25, 1972, in Minneapolis, the son of Kenneth and Susan (Anderson) Keezer Sr. When Jeff was two, the family moved to the Park Rapids, Minn., area and he started school in Osage, Minn. Then in 1979, they settled in Elbow Lake Village and Jeff attended school in Waubun. He graduated from Waubun High School with the Class of 1990.

Following high school, he entered the workforce and began working for BLM (Bureau of Land Management). While living in Detroit Lakes, Minn., with Tammy Bunker and her daughter, Samantha, the couple was blessed with two sons, Derek and Devan. After some time, Jeff moved back to the White Earth Reservation and was employed by the White Earth Nation RBC as a surveyor. He later worked at the Shooting Star Casino in maintenance, Pet Care Systems in Detroit Lakes, followed by North Star Bin Builders.

Jeff spent several years with Shana Keezer and together they raised three daughters and Shana’s son, James. As a devoted and caring dad, Jeff’s recent focus was providing care for his youngest daughter, Porsha.

Jeff was easy going with a wonderful sense of humor. He was always cracking funny comments and could make you laugh. He enjoyed being in the outdoors, cooking and cleaning with Norwex products. Jeff will be remembered as a talented artist who enjoyed drawing, painting and doing crafts. Some of his most recent projects included several drawings, a set of rice knockers and a diamond willow cane. Jeff also liked fixing and tinkering on engines and could build and put together almost anything. Above all, he loved his family and cherished the time spent with all of them. He will be missed by many.

Jeff is survived by daughters: Brenna Keezer, Brooke Keezer and Porsha Keezer; step-daughter, Samantha Keezer; sons, Devan (Zeegwunikay Warren) Keezer and James Goodman; grandchildren: Ezekiel, KenTrell, Maliyah, Zaiden, Victor, Derek, Devan Jr., Jazznlyn and Nindaanis; mother, Susan Keezer; sister, Terrie Sue Keezer; brother, Kenneth “Beep” (Lois) Keezer Jr.; mother of James and his girls, Shana Keezer; and several aunts, uncles, nieces and nephews.

He was preceded in death by his grandparents; father, Kenneth Keezer Sr.; son, Derek Keezer; and brothers, Timothy Keezer and Robert Keezer.

Funeral services were held Jan. 27 at the Anderson Family Funeral Home in Mahnomen.

Arrangements: Anderson Family Funeral Home.
Online: www.andersonfamilyfh.com

Kenneth James Bellefeuille

Kenneth James Bellefeuille, 92, of Spokane, Wash., (formerly of Ponsford) passed away on Dec. 13, 2025. Born in White Earth on March 14, 1933, Ken was raised in a large loving family in Callaway and graduated from Detroit Lakes High School in 1951. He served honorably in the U.S. Air Force as a gunnery instructor and bombing performance analyst until 1955. Ken earned a Bachelor of Science degree from St Cloud State in 1958.

He began his professional career as a high school teacher before joining Honeywell. At Honeywell, Ken started as a buyer and quickly advanced to computer programming, contributing during the early years of information technology. His technical expertise and leadership led to several promotions, ultimately serving as Associate Director of Information Systems. Ken’s career included relocations to Denver, Seattle, and back to Minneapolis. He retired early after a distinguished tenure.

Ken married Lois Otto in 1961 and together they built a family. He was a devoted husband, caring for Lois through her illness until her passing in 2011. Ken and Lois enjoyed strong bonds with their siblings and extended family. Their Round Lake home was often the center of spirited card games and joyful gatherings.

As a loyal Vikings and Twins fan, Ken rarely missed watching a game and had an encyclopedic memory of their history.

Ken was an avid and skilled outdoorsman. His life and career brought him on an outdoor adventure round trip; fishing with his parents and siblings as a child on water near Callaway, fly fishing and hunting elk in the Rockies, pursuing salmon and cod in Puget Sound, and back to Minnesota fishing and hunting deer with his family. Ken and his 14’ Lund were well known to Round Lake residents and the local eagles. Only the walleyes, crappies, and northerns were pleased to see him move.

In 2025, Ken relocated to be near his son, John and family in Spokane where he particularly enjoyed time with his three great granddaughters.

Ken was firmly rooted in his lifelong Catholic Christian faith. His trust in the sacrifice and resurrection of Jesus provide assurance of Ken’s eternal salvation.

Ken is survived by sons: John (Lisa) Bellefeuille and Jesse Bellefeuille; grandchildren: Katie (TJ) Bracey, Steven (Ilatei) Bellefeuille, Aspen Bellefeuille, Baxter (Ellie) Bellefeuille, Kit Bellefeuille; great grandchildren: Ellie Bracey, Clairra Bracey, and Lily Bellefeuille; siblings and in-laws: Dick (Marilyn) Bellefeuille, Marion Bellefeuille, Natalie Bellefeuille, Jeanette Bellefeuille Jahnke, David (Betty) Bellefeuille, Jim Dixon, Doug (Mary) Otto, Ken (Joyce) Otto, and Lois Otto; and many beloved nieces and nephews.

Beverly Jean Hamlin Midbo

Beverly Jean Hamlin Midbo, 80, of Ebro, Minn., died on Jan. 27 at her residence at Cornerstone Nursing Home in Bagley, Minn.

Beverly was born Dec. 8, 1945, in Pine Bend, Minn. She was the daughter of Solomon Hamlin and Dorothy (Annawaush) Bunker. Beverly attended school in Pine Bend and in Fosston, Minn.

She met and married Kent Midbo on June 30, 1965, in Pine Bend. In Beverly’s younger days she enjoyed playing softball and most of all bowling. Beverly was a self-employed trucker, logger and farmer until her retirement in 1999. After her retirement she spent time around the farm raising cattle, raising her garden and enjoying life. Beverly loved to spend time at the casino and canning her fresh vegetables. Beverly enjoyed the company of others and her Country and Western music, and a good old ice cold Hamm’s.

Beverly is survived by her daughters, Cindy (Marvin) King of Casselton, N.D., and Loretta Hagen of Warroad, Minn.; son, James (Judy) Midbo of Lawton, Okla.; 10 grandchildren, 14 great grandchildren, and two great-great grandchildren; and numerous nieces and nephews.

Beverly was preceded in death by her lifelong companion, Kent Midbo; parents, two brothers, and four sisters; and her special friend, Curtis Campbell Sr.

Funeral services were held Monday, Feb. 2 at the Cease Family Funeral Home Chapel in Bagley, Minn.

Interment: Will be held in the spring.

Arrangements: Cease Family Funeral Home of Bagley.

Obituary

Shane Patrick Bellanger

Shane Bellanger, 52, of Detroit Lakes, Minn., passed away on Jan. 26, at Sanford Health in Fargo,.

Shane Patrick Bellanger was born on Jan. 21, 1974, in Park Rapids, Minn., to Roberta Bellanger and Louis Butcher Jr. He was proudly given his Ojibwe name, Wiidookaage Innini, meaning “Man Who Helps Others,” a name he truly lived by throughout his life.

He attended Park Rapids High School and later worked at Shooting Star Casino. In 1991, he met the love of his life, Angela Blaine. While Angie attended college, the couple lived in the Fargo-Moorhead area, where Shane worked various auto mechanic jobs to support his family.

The couple was united in marriage on Sept. 15, 2001. They were blessed with two daughters, Mercedes in 2000 and Maddisen in 2004, who were the absolute center of Shane’s world. The family made their home in Osage, Minn., for many years before moving to Detroit Lakes in 2017, where they have lived since.

Shane dedicated more than 20 years of service to the White Earth Tribe, working in several departments including conservation, maintenance, the Boys & Girls Club, and most recently as a community health representative. No matter his role, his focus was always on helping others and supporting his community.

Family meant everything to Shane. He was a devoted and hands-on father who treasured time with his daughters — tubing or cruising at the lake, traveling together, and faithfully showing up to cheer them on at their activities and sporting events. He was especially proud to watch them compete at their many softball competitions and most recently at the Native American Softball World Series in Las Vegas. Shane also helped raise two Special Children of his Heart;

Lisa and Nakkita Buckanaga, caring for them as if they were his own and remaining a steady, loving presence in their lives.

Shane loved making memories with his family on vacations to places like the Bahamas, San Diego, Mexico, and most recently Nashville. At home, he enjoyed trying his luck at the casino and was a loyal Minnesota sports fan, always cheering on the Twins and the Vikings. In his younger years, Shane enjoyed playing softball, bowling, hunting, and ice fishing. He was known for his kindness and quiet generosity, often plowing snow and mowing lawns for elders without hesitation.

Shane’s life was rooted in love for his family. His devotion to his daughters, his generous heart, and his great sense of humor will be deeply missed by all who knew and loved him.

Shane is survived by his wife, Angela; daughters, Mercedes and Maddisen; mother, Roberta Bellanger; father-in-law, Scot Blaine; special family, Nakkita Buckanaga and her children: Andre, Ayden, and Alijah, and Lisa Buckanaga; siblings: Rex Robbins II, Johnathan Robbins, Cassandra Robbins, and Ciara Robbins; Dion (Tabitha) Bellanger who is a cousin, but like a brother to him; special nephews, Zayden and Zachary Leigland-Robbins; along with several other nieces and nephews.

Shane was preceded in death by his father, Louis; stepfather, Rex Robbins Sr.; mother-in-law, Wanda Blaine; sisters, Charlotte Robbins and Samantha Robbins; and grandparents: Louis Butcher Sr., Mary Jane Butcher, and John and Jane Bellanger; and uncles, aunts and many cousins.

Traditional Funeral Services were held on Monday, Feb. 2 at Pine Point School. Night Wake Services and a ceremony began Sunday, Feb. 1 at Pine Point School and continued until the time of the service.

Arrangements: Anderson Family Funeral Home.

Shannon Eck has been sober since July 7, 2020.

After hitting her breaking point, Waubun woman reaches out for help

By Shannon Eck

My journey with addiction began early, shaped by the environment I grew up in, where parties and drinking were a norm. As a child, the taste of beer wasn't appealing, but the feeling it gave me - a warm, fuzzy sense of belonging - was something I chased. As I grew older, alcohol became a tool for courage, helping me try out for sports and navigate social gatherings. By the 5th grade, I was drinking as often and as much as possible, unable to stop at just a couple of beers like my friends.

My life took a turn in the 9th grade when we moved to Victorville, Calif., and I started using meth, skipping school, and hanging out with the wrong crowd. But becoming a mother my senior year of high school changed everything - my daughter's arrival gave me a reason to sober up, and I managed to stay sober during my pregnancies. However, maintaining sobriety between pregnancies proved challenging, and I found myself hiding my drug use, manipulating doctors into prescribing me meds.

Despite appearing to have a normal life, I was struggling with addiction, which intensified during an abusive relationship. After a series of health issues and surgeries, I became addicted to fentanyl patches, but being forced to stop when I moved to Waubun, marked a turning point. The withdrawals were brutal, and I hit rock bottom, losing everything that mattered.

It wasn't until I went to Four Winds treatment in 2017 and subsequent outpatient programs that I started to find my footing. Although I lapsed often, each struggle taught me resilience. On July 7, 2020, at a breaking point with my health and life in shambles, I reached out for help, and that's when my true journey to recovery began. I found support, rebuilt my relationships, and discovered a community that accepted me for who I am.

If you are struggling, know that it's possible to transform your life, to find hope, and to live a life that's rich in love, connection, and purpose. If you need help please reach out.

Breanna Azure

White Earth Tribal and Community College Student Spotlight

White Earth Tribal and Community College (WETCC) proudly honors a student each month who exemplifies academic excellence, resilience, and personal growth. Students are nominated by staff who recognize the unique and exceptional qualities within our student body.

This month's Student Spotlight is on Breanna Azure.

Breanna's journey at WETCC is a story of perseverance and growth. One of her biggest challenges was learning how to balance school, work, and personal life. "It took me a while to figure out how to stay organized, manage stress, and still show up for my responsibilities," she shared. By asking for help and taking things step by step, Breanna discovered that consistency and positivity were key to her success.

Her proudest achievement came in high school when she made up all her credits during senior year to graduate on time. Enrolling in college afterward was another milestone that showed her strength and determination. "Staying committed, even when things got stressful, showed me that I am stronger than I thought," Breanna said.

Breanna defines success as reaching a goal you've worked hard for—big or small. Passing a tough class or earning a good grade matters just as much as major accomplishments. She credits WETCC's supportive community for making school feel safe and personal. "The staff actually cares, and the classes feel personal. It makes school feel less overwhelming."

Looking ahead, Breanna will graduate with her AA degree next spring. After that, she plans to continue her education and pursue a career helping oth-

Breanna Azure was selected for the White Earth Tribal and Community College Student Spotlight.

ers, possibly in mental health or social services. She's also considering business or law enforcement. "I'll know when the time comes," she says with confidence. For now, she's focused on finishing her generals and preparing for the next big step.

WE welcomes Deputy Assistant Secretary - Indian Affairs

Photo by Sage Thompson

Tribal leaders hosted Deputy Assistant Secretary – Indian Affairs, Scott Davis (SRST), on Jan. 20 at the tribal offices in White Earth. Some topics discussed were concerns with how to protect our relatives and staff when involved in situations with ICE, BIE updates and ideas for the Circle of Life Academy, regulation issues the tribe is having with the state, and the drug epidemic.
